

Lander Golf Course (LGC)

Golf Cart Rental Policy

It is our policy to restrict motorized golf cart traffic when weather or turf conditions warrant. This policy ensures that we can continue to provide the best possible playing conditions by preventing damage to the course. Please understand that golf cart traffic may adversely affect turf as well as playability. We also wish to provide a safe environment for our players and maintain the carts in the best possible condition.

Golf carts are the property of the LGC and are subject to the rules and regulations of this policy. Any use of carts off the cart path is at your own risk and any problems or injuries resulting from such use are the golfer's responsibility. For safety reasons, we strongly discourage the use of the golf cart on severe slopes or through tall grass areas. Carts will not be allowed inside any roped off areas.

Course management reserves the right to restrict all cart traffic in instances of excessive weather conditions, new turf, or extreme safety issues which could result in damage to the course or endanger the golfer.

1. Golf cart rental is by the seat (each person riding in the cart must pay cart rental)
2. Only two people are allowed on a cart.
3. Must be 18 years of age or older with a valid driver's license.
4. Carts must be driven in a responsible manner – no bumping carts into one another, skidding them sideways, ramming them into anything etc.
5. Golf Carts must use paths where provided and keep 30 feet from all tees and greens. Handicap flags may be applied for by disabled golfers.
6. **The person driving the cart is responsible for the golf cart. The driver is responsible for the payment of any damage occurring to the cart during their possession. They are also liable for any damage to the golf course by the cart while it is in their possession.**

Failure to adhere to the LGC policy on golf cart rental MAY result in the LOSS OF PRIVILEGES. This is up to the discretion of the LGC Board of Directors and the Head Golf Professional.
